

BX-35ULE Outdoor Bell Box

High Quality Bell Box with Effective Visual and Audible Alerts

- Siren output level is 104 dB at 1 meter
- Elegant, modern design
- Wireless, lightweight, easy to install

BX-35ULE bell box is a battery-operated wireless outdoor siren generating a loud 104 decibel siren sound and strobe lights during an alarm to provide visible and audible alerts. Encased in a durable, IPX5 waterproof elegant design, easy-to-install BX-35ULE is a premium choice for the modern smart home.

The BX-35ULE generates unique alarm sounds for fire and burglary to inform users of the type of danger at hand. It provides programmable siren duration of 3, 5, and 10 minutes.

In addition to producing audible and visible warnings in the case of emergency, the BX-35ULE emits beep notifications for arming and disarming of a security system, and of its low battery status. Its tamper-deterrent feature protects against unauthorized removal and sabotage.

Features
